BULLHEAD REGIONAL FOOD BANK

nourish

November 2026

Providing immediate relief while investing in long-term solutions to combat hunger and improve the quality of life for our neighbors.

WHILE CONTINUING TO GIVE BACK

As Thanksgiving approaches, the Bullhead Regional Food Bank remains committed to helping our neighbors who are experiencing food insecurity.

Although we will not be hosting our traditional Thanksgiving drive-through giveaway this year, we will continue to provide food assistance throughout the holiday season through our regular distribution operations. Thanks to the generosity of our community partners and donors, we are gathering additional Thanksgiving resources to help make this special day a little brighter for the families we serve. These resources will be distributed as available throughout November.

With the growing demand for our services, we must continue making responsible decisions that allow us to provide food assistance not just during the holidays, but all year long. We are grateful for the generosity, patience, and understanding of our community as we work to meet the needs of so many.

Round Up

WITH ACE

The helpful place.

Throughout the month of November, Ace Hardware in Bullhead City is giving customers an opportunity to support the Bullhead Regional Food Bank by rounding up their purchases at checkout.

Those few extra cents may not seem like much, but when our community comes together, small contributions can make a tremendous impact.

As the need for food assistance continues to grow throughout our community, partnerships like this help us put food on the tables of local families, seniors, and individuals facing difficult times.

We extend our sincere appreciation to Ace Hardware for supporting our mission and making it easy for customers to give back.

SUPER VOLUNTEERS

With home deliveries in full swing, we are immensely grateful to our incredible volunteer base for ensuring that the most vulnerable members of our community do not go hungry.

Reaching 100 home deliveries a week is a tremendous feat to undertake, and it would not be possible without the dedication and hard work of our volunteers. Thank you for your continued support and commitment to serving our community.

Anthony La-Valley

Please join us in recognizing Anthony La-Valley for his incredible contributions. Anthony is truly an amazing volunteer who is always ready to step in wherever he is needed. His keen eye and knack for keeping up with the fast pace of our operation—from managing the cardboard baler to ensuring the trash cans are always empty—make a huge difference in our daily work.

Anthony, thank you so much for your hard work, dedication, and reliable support!

You are amazing!

Community Thrift continues to grow and serve as an important source of support for the Bullhead Regional Food Bank.

Every purchase made at the store helps strengthen the Food Bank's ability to serve our community, while every donated item gives us another opportunity to turn generosity into support for local families.
We are grateful to everyone who has shopped, donated, volunteered, and helped spread the word. Your support is helping Community Thrift become an important part of the Food Bank's long-term sustainability.

If you haven't stopped by lately, come see what's new — you never know what treasure you might find!

A SEASON OF GRATITUDE:
WE HAVE SO MUCH TO BE THANKFUL FOR

As Thanksgiving approaches, we are reminded that gratitude isn't just about what we have, but about what we can share with others.

At the Bullhead Regional Food Bank, we have so much to be thankful for. Every day, we witness the generosity, compassion, and kindness of a community that truly cares about its neighbors.

We are thankful for our volunteers who give countless hours of their time, our donors who believe in our mission, our community partners who stand beside us, and the businesses and organizations that continually step forward when help is needed.

This year has brought tremendous growth, new opportunities, and certainly a few challenges. But through it all, one thing has remained constant: the incredible support of our Tri-State community.

As we gather with family and friends this Thanksgiving, let us remember those who may be facing difficult times. A simple act of kindness, a helping hand, or a thoughtful gesture can make a meaningful difference in someone's life.

From all of us at the Bullhead Regional Food Bank, thank you for helping us make a difference, one family at a time. We wish you and your loved ones a wonderful and blessed Thanksgiving.

A NEW CHAPTER

Exciting things are happening at the Bullhead Regional Food Bank! Our newly renovated Administration and Registration Office at 580 Hancock Road represents another major milestone in the growth of our organization.

The former Holy Spirit Church has been transformed into a welcoming and functional facility designed to improve client registration, strengthen administrative operations, and better serve the growing number of families who depend on our services.

This project would not have been possible without the generosity and commitment of ***BHHS Legacy Foundation***, along with the dedication of our contractors and community partners who helped bring this vision to life.

As our Food Bank continues to grow, so does our responsibility to build the infrastructure necessary to serve our community efficiently and compassionately. New beginnings, continued growth, and an unwavering commitment to feeding our neighbors!
